

Meeting Instructions

Cruise Passengers Using Courtesy Transportation or our **Private Transport Upgrade**)

Roatan has two cruise ship ports: **Isla Tropicale in Mahogany Bay** and the **Port of Roatan in Town Center, Coxen Hole**.

Please be sure to verify which terminal your ship will be docking at before you come on your cruise. Please also ensure that the time you've indicated on your booking is in local time (CST) which may be different from the time zone used by your ship (most ships use the time zone of their original port). If you need to update the port and/or scheduled time indicated on your booking, please **Contact Us**, and include your booking number.

For last-minute itinerary changes (either a port or schedule change), please call us at +504 9967-1381.

Additionally, as most ships arrive around 7am local time, we aim to have the buses depart the ports by 8:30am-9am local time at the latest. **If you're running late, please call us at +504 9967-1381.**
